FOREIGN LANGUAGE & INTERNATIONAL STUDIES DAY

· S I N C E 1 9 7 8 ·

The fortieth Foreign Language and International Studies Day is shaping up to be a fantastic day! FLIS is Oregon's largest event devoted to international languages and cultures and we hope you will come participate in this day of enriching presentations. This year approximately 1,200 high school students will gather at the University of Oregon campus to discover and learn on May 4, 2018.

The program offers over 100 language and culturally related presentations, workshops and hands-on activities. Your students will have many chances throughout the day to use their foreign language skills as well as acquire new ones. The variety and range of presentations is truly impressive, as past participants can personally attest to.

"FLIS was an amazing experience that allowed me to learn about, and encounter different languages and cultures that I wouldn't normally be able to. It was a great opportunity to learn from educated people from all over the world. I am looking forward to attending next year." –South Salem HS student 2017
